As I write, the AGM is still to take place so I will have to leave until next month a report on our annual, informal get-together. One of the main items on the agenda is to be a discussion on passenger numbers and ways of increasing them. I'm pleased to say that the situation has improved a little since our concerns at the end of 2009 but I'm looking forward to hearing people's views.

We are about to do the next schedule for the second quarter of the year covering the months of April, May and June. I'm hoping to be able to extend, a little, the list of restricted destinations that we have been operating recently and to re-instate a couple of the popular places we have visited in the past. If you were unable to attend the AGM, then please let me know any suggestions you may have as soon as possible.

In next month's magazine I should be able to announce the date and venue for our annual pub lunch and perhaps, too, some of the proposed details for this year's Pat Crighton-Smith Outing.

Finally, apologies for any inconvenience you may have encountered recently getting in and out of the six-seater bus. There has been a problem with the nearside step which I trust will have been fixed by the time you read this.
