

## Wisborough Green Charity Balloon Weekend

A three day Hot Air Balloon Festival held on the 7th to the 9th September in aid of CHASE ...hospice care for children.

Brian Smith and David Longden organise this event every year. The balloonists support the event by flying their balloons and donating the £90 fee for passengers directly to the charity with no expenses or costs deducted. It has proved to be a very popular annual event.

The photographs were taken on Saturday evening with the balloons taking off. A big thank you to the organisers who are pictured left: *Shown From Left to Right:*
