At the time of writing the **Annual Cheese and Wine Party** is still to take place, so a report on the occasion will have to wait until next month.

Some good and bad news – the bad first. Some of you will know that the valuable part of the permit for parking in bays for the disabled was stolen from the bus in early June. There is apparently a market for the sale of these so if you have one of your own, guard it carefully. On the following two Fridays, while we awaited the replacement badge, our drivers received parking tickets in Worthing for not displaying both parts of the permit even though the theft had been reported to the police, a crime incident reference number issued, a new badge applied for immediately and the situation explained to the somewhat over-zealous NCP warden. It does seem unfair when it must be known that the buses belong to the West Sussex Association, are carrying out a valuable service for the community, park there regularly and have valid disabled parking permits.

Now the good news – the long-awaited 6-seater bus for Wisborough Green has been ordered. Although I do not yet have a delivery date, it should not be too long now before it is in service. May I therefore repeat my earlier invitation to anyone who thinks it may have a use in the village, apart from normal Community Minibus trips, to get in touch with me, Richard Parish, on 700628. We are anxious that it is used as much as possible and I look forward to discussing any proposal you may have.

Finally this month - we've not forgotten this year's Pat Crighton-Smith Outing to The Spinnaker Tower and Gun Wharf Shopping Centre. Details will be available soon to those who expressed an interest in going.
