Wisborough Art Workshop

Wisborough Art Workshop

What is it?

The Wisborough Art Workshop is an event, not simply an art class, with shared ideas and opportunities to experiment and improve with diverse techniques and materials.

Who is it for?

The Workshop days are aimed at all levels of expertise, from total beginners to experienced artists and support most two-dimensional art mediums.

Where is it?

Our base is Wisborough Green Village Hall, which is set beside St Peter ad Vincula Church. (A272 between Billingshurst and Petworth). When fine weather allows, there are plenty of sketching and painting opportunities around the green in our beautiful village.

When is it?

These whole day events are held 10am until 4pm Fridays, on more or less a monthly basis.

What happens there?

There is plenty to keep you inspired and busy! A 'sitter' is usually with us, for figure drawing and painting. Also a couple of still lifes are set up. You will also find a great quantity of A4 coloured reference photos if you are in need of inspiration.

During the day, I shall be able to give a short drawing or painting demonstration, or we can have an illustrated discussion on particular art tips or techniques.

Also, an 'art and artist appreciation' section is often on display, together with current art magazines, articles and news.

We have painting demonstrations on DVD for you to watch whenever you like.

There is a monthly art-based prize quiz for you to take away and tax your brains with.

We have a video library, from which you can borrow for the forthcoming month.

Each month, you will receive a newsletter, either on the day or posted/emailed to you, keeping you up to date with activities in the workshop and news of events and exhibitions.

Several times each year we have group visits to major exhibitions and galleries in London – always a good day out, rounded off by an enjoyable lunch!

Do I need to bring my own materials?

Most people choose to bring their own art materials with them. However, some art materials and equipment are available for your use, either to start with, or in order to experiment with different mediums before spending on purchases.

Will there be refreshments there?

Complimentary coffee, tea and biscuits are served to welcome you on arrival, while we get settled and organised. A light lunch is provided and included in the cost of the day. During the day, you are welcome to make hot or cold drinks as you wish.

What is the cost for the day?

The fee is £20 for the day, including lunch and all refreshments.

Do I need to make a reservation?

It is not necessary to book a place on each of the Workshop days, nor are you required to pay in advance. Just come along, pay on the day and enjoy!

Overleaf you will find the calendar of forthcoming workshops .
