FREEDOM OF INFORMATION ACT

PUBLICATION SCHEME

FIRST ADOPTED NOVEMBER 2008

Second Update approved 16th June 2015

Reviewed bi-annually – Last review and adoption June 2017

INTRODUCTION

The Freedom of Information Act

The Freedom of Information Act grants to members of the public rights of access to all kinds of recorded information held by a wide range of public authorities. Information about the Act is available from the Information Commissioner's Office at www.ico.gov.uk

Publication Scheme

The Act requires every public authority to adopt and maintain a generic model publication scheme which should be adopted and operated by all public authorities from 1 January 2009. Wisborough Green Parish Council first adopted the generic model publication scheme at their Council Meeting on 18th November 2008. It is intended to provide everyone interested in the Council with a comprehensive guide to the information that the Council will automatically or routinely publish or otherwise makes available to the public.

Freedom of Information Requests and the Publication Scheme

It is important to note that a publication scheme simply sets out the information that is routinely available. Information that is not listed in the Information Available Guide of this document can still be requested and it will be made available unless it can be legitimately withheld. This can be done by making a written request to the Parish Clerk who will reply within 20 working days after receipt of the request.

The Council's Commitment to the Act

The Council is committed to openness and accountability and already makes large amounts of information available to the public, through the website, via the telephone or by post. Personal visits to view documents at the Village Hall can be made by prior appointment.

MODEL PUBLICATION SCHEME

This model publication scheme has been prepared and approved by the Information Commissioner. It may be adopted without modification by any public authority without further approval and will be valid until further notice.

This publication scheme commits an authority to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the authority. Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

The scheme commits an authority:

- To proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the authority and falls within the classifications below.
- To specify the information which is held by the authority and falls within the classifications below.
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- To produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- To review and update on a regular basis the information the authority makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available.
- To make this publication scheme available to the public.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.

The Council would normally expect the Clerk to understand what information you have asked for and be able to tell you where you can find it. If the information you receive is not what you asked for or need, you should first contact the Clerk. If the information is not available, the Clerk will tell you why.

If you believe that the Council has not dealt with your request fairly and cannot deal with it satisfactorily on an informal basis, you should follow our complaints procedure. You can get details of this procedure from the Clerk (details as above).

If you have followed our complaints procedure and are still not happy with how we have dealt with your request, you may also contact the Information Commissioner to ask them to investigate this matter further.
