talk

Panel

**Your views are really
important to us**

Help us to improve our services and let us know
the issues that matter most to you.

www.chichester.gov.uk/letstalkpanel

We know how important it is to gather feedback and views from our residents and businesses, which is why we are launching our Let's Talk Panel, to find out about the issues that matter most to you.

We run various surveys and consultation events throughout the year and we want to make sure that as many people as possible are aware of them. Your opinions matter to us, so by joining the Let's Talk Panel we can make you aware of what's going on and let you know how you can get involved.

Taking part is easy. You can get involved as much or as little as you like. You choose what you want to respond to, so there's no time commitment. Most of our surveys are online so you can respond from the comfort of your own home, at a time that suits you. We will just let you know what projects we are working on and how you can get involved and then you decide if you want to respond.

Sign up form

The information you provide will only be used to contact you about the Let's Talk Panel and opportunities to have your say. You are free to leave the panel at any time and we will not retain your information if you wish to opt out.

Services that you are particularly interested in:

Where did you hear about the Let's Talk Panel?

In the future, we also hope to hold coffee mornings and focus group events for our Let's Talk Panel members, so we can get you fully involved in some of the projects we're working on. However, we know how busy people are so you can choose what you want to get involved with and respond to. Two years ago we started a recycling focus group and they made a real difference to our recycling campaign – providing us with critical comments that influenced the approach that we took.

Our aim is to work side by side with you to make sure that we are delivering services that meet your needs. If you are interested in getting involved, all you need to do is sign up at www.chichester.gov.uk/letstalkpanel or fill out the form below and send it back to us at **Public Relations, Chichester District Council, East Pallant House, Chichester PO19 1TY.**
