Not applicable	41	18.89%
total	217	100.00%

7.9 – What initiatives would you like to see your community take to improve the quality of village life?

"7.8 - they should really be accessible to all eg Parish Newsletter or outside village shop on railings."	1	0.46%
"A lovely village hall for present and future generations. Large enough for badminton and matches, short mat bowls and a stage for entertainment like the hall in Loxwood. Funds were raised by villagers and grants. We want something the village can be proud of."	1	0.46%
"Better parking outside the Cricketers pub and along Durbans road, keeping cars away from the crossroads and on the "blind" bends in the road"	1	0.46%
"Better transport links please"	1	0.46%
"Car parking for Butts Meadow. Double yellow lines by playarea and entrance to Butts Meadow."	1	0.46%
"don,t know"	1	0.46%
"Double white lines on B2133. Generally better traffic control."	1	0.46%
"Emergency Plan Artistic activities for children"	1	0.46%
"Encourage more local shopping and more use of local businesss to stimulate the local economy. Explain what happens when we shop away from the village. Get people into convivial atmospheres and raise matters causing concern. Talking to each other, face to face, is vital in today's world. Politicians, like policemen, really should be on the beat because the answers are there."	1	0.46%
"Encourage more social activities for study, special interests. At present I don't know what's available."	1	0.46%
"Faster broadband for outlining areas"	1	0.46%
"Film shows in Village Hall. Regular visits to Chichester or Guildford theatres"	1	0.46%
"For young people"	1	0.46%
"Give young people a chance of a home in the village"	1	0.46%
"Have a community choir! More exercise classes - yoga/nia"	1	0.46%

"I would like greater efforts to be made to reduce speeding through the village"	1	0.46%
"Improve parking around the Green, faster broadband, address issue of pavement parking in Butts Meadow, road grit containers in Butts meadow."	1	0.46%
"Improve the pavillion"	1	0.46%
"Improve the playground."	1	0.46%
"Improve use of village hall and alter inside to make it user friendly or sell it."	1	0.46%
"Improved environmental issues - local nature/wildlife/recycling/being green/food miles. Local market at a time when people who work can attend."	1	0.46%
"Improved parking, stop speeding traffic"	1	0.46%
"In a village of 2000 people no more than 200 approx actively organise and run community activities. How about a PC led recruitment drive for volunteers (not targeted on any one area) BIG SOCIETY."	1	0.46%
"Inconsiderate members of the community parking in our driveway and blocking access to and fro, banned!!! Greater scope of interests/activities not connected with church groups, pubs, and for all age groups and abilities. Not run by antiquated thinking."	1	0.46%
"Introduce 20m[h speed limit for all roads currently 30mph and change 40 soned to 30 mph. Car speed on Kirdford Road is very dangerous."	1	0.46%
"It would be good if the Parish Council could proceed with additional parking facilities around the Green - various suggestions were discussed last year."	1	0.46%
"Limiting size of lorries using Durbans Road as cut through. Reduce speeding in 40 mph limit at Newpound."	1	0.46%
"Local policing"	1	0.46%
"Marquee on green for small local pop and jazz groups. Use of church for classical musical, concerts and record discussions, lectures etc."	1	0.46%
"More advertising of events as have missed events due to not knowing."	1	0.46%
"More opportunity for retirement socialising."	1	0.46%
"More parking places"	1	0.46%
"More speed checks"	1	0.46%
"None"	1	0.46%
"Not sure but I noticed, when walking down A272 in dark towards the end of the village, how fast the cars were going."	1	0.46%
"Pavements and lighting around the Green and roads."	1	0.46%
"Preventing road users from parking on pavements outside village stores and school forcing pedestrains with or without pushchairs and children into road. Greater enforcement of parking restrictions opposite the Cricketers."	1	0.46%
"Proactively encourage dog owners to clear up after their pet."	1	0.46%
"Railings around playarea so safer. Great place to live."	1	0.46%

"resolve some parking problems in the village"	1	0.46%
"See 4.5 and more - even more - awareness of the needs of single old folk. Is there a register for these people and how is it mainaged? (This person made the comments about car boot sales on Green - LD)"	1	0.46%
"See a policeman in the village - either on foot or mobile. Provide a lay-by on the Kirdford Road for cars - sometimes up to 10 parked there is dangerous for road-users from Kirdford to the junction by the Cricketers."	1	0.46%
"Slow traffic down"	1	0.46%
"Some how find a way of motivating more residents to take on active roles in the community."	1	0.46%
"Sort out parking outside the Cricketers. A village car park opposite the school (next to the new houses) would provide suitable parking for all village activities, and could be suitably screened with trees and bushes. e.g Lacock, Hutton-le-Hole are examples of village car parks for visitors. It could also be used daily by the school parents, avoiding the need to park in School Lane and Newpound Lane."	1	0.46%
"Street lighting"	1	0.46%
"Stricter planning regulations and enforcement"	1	0.46%
"Strong focus on appearance of Green. Levelling of Green - bumpy and dangerous now. Tree pruning - some oaks are far too big now."	1	0.46%
"The playground refurbishment is much needed. Reduction in speed of traffic (especially trucks) through village. Improvement of school swimming pool for community use year round."	1	0.46%
"To purchase for at £1000 a defibrillator to benefit everyone. Could fundraise to do this see 9.1."	1	0.46%
"toilets improved in the pavillian and on the green"	1	0.46%
"Traffic management improvements,speed camera in the village,review parking areas,perhaps create a dedicated car park."	1	0.46%
"Traffic slow down measures if possible."	1	0.46%
"Try and encourage some decent Parish Councillors to Join. Parish Clerks should have a maximum employment time as all projects acn be influenced by a single blockage in the chain."	1	0.46%
"We are active in the village and feel the village is well looked after. We are very contented and grateful to live here."	1	0.46%
"Willie Austen on the Green"	1	0.46%
total	56	25.81%

Commerce (Section 8 of 9)

"more live work development"	1	0.46%
"The signal for mobile phones & possibly computers (?) is not good"	1	0.46%
"Vastly improved broadband speeds"	1	0.46%
"Yes, better workshop facility!"	1	0.46%
total	25	11.52%

And Finally (Section 9 of 9)

9.1 – Please state any concerns or issues not mentioned in this questionnaire:

"Ambulance response times."	1	0.46%
"As residents of WG we are delighted with the efforts of the local councillors. The village is a delightful place in which to live."	1	0.46%
"At no point have you mentioned the award winning pre-school. You mention the primary school but the pre-school provides a fantastic facility for young families. The Government is continuing to advocate free entitlement funding in order for parents to go back to work so the pre-school is vital. YET AGAIN the village does not acknowledge the fantastic work and support this community facility offers. It's about time the community acknowledged it and the Parish Council did too."	1	0.46%
"Attention to roads/lanes eg. very little ditching - flooding/standing water. Sweeping after hedgecutting Potholes"	1	0.46%
"Better broadband. Side roads are collapsing due to access by 5 axle trucks. Small rural housing is being bought out by weekenders drastically reducing housing stock, and also destroying the interdependency required to maintain the countryside."	1	0.46%

"Better emergency plan for the elderly - especially those that are housebound and especially during power cuts and for those that rely on 'Meals on Wheels'."	1	0.46%
"Clearing footpaths and gritting roads when it snows. If there was an emergency in the village how would people know where to go or who to phone to get help or offer help?"	1	0.46%
"Concerned about development implications in village and the effect it would have."	1	0.46%
"Consider more access to footpaths"	1	0.46%
"Development is always a problem for someone! The 'church' are prepared to discuss The Glebe land so village would be clear of traffic, access to school on foot would be easy for children in family homes. Field next to West Elms."	1	0.46%
"Disappointed that WG was not brought into the South Downs National Park. Need to continue to resist application for extension/accommodation at The Three Crowns. Better Braodband and digital TV services for the village."	1	0.46%
"Encourage less car use for travelling within the village. Better footpaths, e.g along Kirdford Road to The Luth, along the bridleway part of The Luth. Make the village more cohesive to involve inhabitants more (don't really know what I mean - just a gut feel). Encorage use of facilities and develop pride in the village."	1	0.46%
"Encourage support of our local store and post office."	1	0.46%
"Extend 30 mph limit along A272 towards Billingshurst as far as 40 mph signs."	1	0.46%
"Fishers Farm is a very successfyl venture, but the traffic problems down Newpound Lane, at weekends and school holidays, has increased, especially for dog walkers and horse riders."	1	0.46%
"For the safety of residents and visitors, a mini-roundabout to replace the crossroads outside the Cricketers Arms would avoid the dangers of approaching from Kirdford Road with your view obscured by cars parked on Durbans Road."	1	0.46%
"I am happy that living well outside the village no one bothers us and I don't bother them. However, I am always available to help anyone in trouble if we can. I am in the 'Eric Clark' camp!"	1	0.46%
"I have noticed in other villages that they have grit bins. I think this would be a great benefit around the school and in Butts Meadow, Carters Way. At the junctions and parts of the roads stay frozen for days at a time in bad weather."	1	0.46%
"I have only lived in WG for 18 months and find it a very pleasant place to live with a lot going on. It is a friendly community with plenty of activities to keep me occupied."	1	0.46%
"I have other issues but to mention them here would reveal my identity so I will not do so."	1	0.46%

"I love living here - I don't think there's much more that we can do to improve things - it's more a case of maintaining what we have for the good of everyone."	1	0.46%
"I think 'Ad Vincula' is dated and dull and should be delivered free to all residents in a modern updated style (involve young people). I do not think the PC newsletter feels exclusive to WG residents (because it isn't). Rather it feels 'adapted for WG (which it is). I like the layout but would prefer it to be exclusive to WG including all advertising. I would welcome a magazine to be born combining Ad Vincula and PC news solely for our community and of course delivered free!"	1	0.46%
"I think W G is a lovely place to live."	1	0.46%
"If further housing were to be built great attention should be paid to the design, style and scaled by the buildings - to be as much in keeping with existing village architecture ie diversity of style rather than little boxes all the same. Ribbon development - joining up with neighbouring villages would wreck the esential village character."	1	0.46%
"If possible it would be good to improve safety in the village due to high speeds traffic travels through the village. Trucks are a problem and danger due to them breaking the speed limit and the dnagers of their size/weight. Also there is a problem where cars, vans and trucks are bumping up onto the pavement whilst still travelling in order to park in the layby outside the village shop. Even if you are walking there with children, drivers will still do this which is a great danger to pedestrians."	1	0.46%
"Inadequate policing of speed limit areas away from main A272. Example:- Kirdford Road 40 mph limit. Houses along entire length no pavements, no street lighting. Most drivers over speed limit, some excessively. In last 10 years since limits were set up, not a single speed trap seen."	1	0.46%
"Inspired by the account of Incredibile Edible Todmorden (Sunday Times 27.11.11) www.incredible-edible-todmorden.co.uk What possibilities are there for Incredible Edible Wisborough Green?"	1	0.46%
"It would make it far easier to have the questions easier to understand, ie items 5.8 to 5.14"	1	0.46%
"Lack of local police presence exept for radar traps. Ideally there should be a separate form for each member of a household. It is perfectly possible for members of a household to hold opposing views."	1	0.46%
"Lack of transport could prevent from attending adult education classes in the future - increasing age The way the cricket club treats the Green (rather arrogantly) as their own private fieldom makes me feel unwelcome on the Green - as if I am	1	0.46%

intruding if I so much as put a foot on the grass. The footballers are forced to play too close to the road, the stoolball is too close to the houses and everything else is pushed to the fringes. Why is one group allowed to get away with this?"		
"My family really appreciate the local activities that are run by volunteers with the community; Youth Club and cricket specifically. As previously noted, it is a real shame that there is no local junior football provision within the village. Both my sons (and me as a coach) travel to Kirdford to partake in structured football. I would be interested to unserstand what would need to be considered in order to achieve this within WG. Neil Spackman 29 Carters Way."	1	0.46%
"NB: Nothng indicated about where they find out about community info and activities in Q 7.6 so I ticked Local newspapers."	1	0.46%
"Need faster broadband acces and improved mobile phone coverage."	1	0.46%
"neighbourhood watch is important for alerting residents of local crimes etc."	1	0.46%
"One of the great beauties of the village has been the lack of development over the last 30 years thus retaining true village atmosphere of which there are very few left in UK. This form automatically assumes that we will be forced to lose this village atmosphere by further housing - this should be resisted at all costs."	1	0.46%
"One of the main problems is the speeding traffic through the village. There is a major accident waiting to happen. Speed restrictions are ignored. Other alternatives need to be investigated and implemented very quickly. It is not just the west approach on the A272 that is the problem - traffic speeds into the village from the east as well."	1	0.46%
"Only real concern is the speed of traffic through the village (both A272 and other roads, particularly Durbans Road) It can only be a matter of time before there is a fatality outside he village stores."	1	0.46%
"Our primary concern is that of new village residents moving to WG from larger towns/villages and seeking improved amenities in line with those they are used to elsewhere. WG should remain a small rural village and the Parish Council should remain focused on the needs of existing, longer term residents not newcomers. Both Billingshurst and Petworth offer amenities within close proximity."	1	0.46%
"Overrown hedges on roads and footpaths."	1	0.46%
"Parking issues outside the school/Garmans."	1	0.46%
"Particularly concerned about volume and speed of traffic on the A272. Do we have to wait for someone to be killed? Also cars on the pavement outside the Post Office so that pedestrians (some with buggies) have to go on the road to get past."	1	0.46%

"Please extend speed limit to 30 mph to village sign on A272 towards Petworth. It is very effective leaving the village centre towards Billingshurst. We have difficulty leaving our drive due to speedy vehicles."	1	0.46%
"potential new development should be within walking distance of the village centre- the shop, school etc."	1	0.46%
"Proliferation of parking on pavements Village Green should be controlled by a "Green Committee", not a sports committee (i.e. less control by the cricket club"	1	0.46%
"Proposed B&B development at The Three Crowns Lack of care in St Peter's Graveyard. How unkempt the grass and graves have become."	1	0.46%
"Proposed junior cricket in Durbans Road. Concerns regarding safety of traffic near the bend by Sweephurst Farm. Also safety of children playing on a field which is not a 'safe' pitch. Parking in Wisborough. Could not the above field be used for parking. Also land at bottom of Park House. Even Sweephurst Farm. It would be generating an income in some form now adding to the local economy."	1	0.46%
"Public transport."	1	0.46%
"Re 2.8 - 2.11 - I have lived in my home for 3 years and have had one burglary and recently had damage only break in. As a result I do not feel very safe at all."	1	0.46%
"Re 3.6 - have triend to organise bulk buying syndicate - little, if any, positive response from neighbours - why?"	1	0.46%
"Re development. Brownfield sites especially old run down nurseries as per Kirdford developments. Would like to see a specialist grants officer appointed so that organisations in the village can be assisted in applying for grants. Most don't due to the complicated forms and unaware of grants that are possible. The sports sections in particular would be able to raise funds if assisted by a specialist."	1	0.46%
"Regarding the Parish Council Newsletter. Yesterday I received a copy through my letterbox with some other mail. Now, today or tomorrow, I shall receive another one exactly the same only this time it will be in a very good quality envelope. Is this not a waste of money and paper? I am quite happy to have the loose one come fluttering through my letterbox but think the one in the envelope is quite unnecessary. Can something be done about this?"	1	0.46%
"Speed limit reduced to 20mph throughout all roads and lanes within half mile of village centre. To include road 'calming' devices."	1	0.46%
"Speed Limits. Focus is always on the A272. All roads need to be looked at in the village. You do not provide any information (drawings) to explain the location of the strategic gap. You ask about housing types	1	0.46%

that we think should be considered without any data/facts on ratios of housing types that currently exist in/near the village. This document is written in such a way that it is difficult to really answer questions (many are ambigious). Another form of public discussion/forum must be used also. Existing constraints (such as conservation zones) should be explained to everyone."		
"Speed needs to be reduced in Durbans Rd. 40mph is too high for a country lane with a dangerous bend at the the bottom of the hill. Speed humps is the only effective way to reduce speed."	1	0.46%
"Speed of traffic through the village."	1	0.46%
"Speed on A272 - would like 30 mph at the start of the houses. Speed camera on entering the village? Better broadband"	1	0.46%
"Speeding and dangerous vehicles on A272. Lorries blowing pedestrians and vibrations in neighbouring properties. Parking at both ends of School Road making junctions dangerous and restricting visibility. Surely time to have more yellow lines. Parking on grassed areas around the pond and other areas. More posts required to prevent grass damage."	1	0.46%
"Speeding on A272 particularly past shop and green. Enforce speed limits vigourously through village."	1	0.46%
"That music from the Cricketers and Three Crowns and the noise from the Pavilion is excessive in the summer months and it goes on for far too long. I can hear it over my television or my hifi system when I am listening to either and also fireworks late at night especially in the summer. There should be left off before 9 pm."	1	0.46%
"The children;s swings and slide are dated and do not provide adequate provision for children aged 3 and below - it is also unsafe without fencing around it. There are no activities in the local village hall for young children eg dane class on a Saturday morning - I might organise this myself. People are still speeding through the village as no flashing slow down signs or speed bumps - I live on A272 with 1 yr old and 3 yr old and it's very dangerous. More variety for sports for girls could he provieded on Green - very male bias - football and cricket. Lacrosse or rounders etc."	1	0.46%
"The condition of the pavilion The amount of dog and horse fouling on the pavements and green"	1	0.46%
"The footpath on Durbans road before it crosses over the road at brooklands farm area is an accident waiting to happen with the blind corner due from lack of hedge cutting, and the grass surley has a cutting regime which is non existant and also the hedges draging down over the path"	1	0.46%
"The house feels the questionnaire was very comprehensive. Well done and thanks."	1	0.46%

"The lack of a cycle route between Wisborough Green and Billingshurst increases my need to travel back and forth from Billingshurst enormously. My whole family would avail themselves of such a route to get to the Weald School, the train station and the sports centre a lot in the summer months but instead we use the car a lot more frequently than we would like to. At the moment I feel the A272 is far too dangerous to allow my children to cycle freely."	1	0.46%
"The lack of alternatices to electricity as a source of power in the village."	1	0.46%
"The reason why a lot of people live in Wisborough is becaist its a village with a close knit community. Its important to keep this alive for this and future generations."	1	0.46%
"The speed of traffic on the A272 through the village is still a great concern - I'm scared for everyone. Cars, lorries, motorbikes appear to ignore the 30mph limit. The pedestrian crossing is a great help. However traffic from Billingshurst in most cases is the worst culprit. Perhaps a sign warning of the crossing before the bend would be an advantage."	1	0.46%
"The terrible condition of the road surface on the lower part of the Luth."	1	0.46%
"There are still various places around the village without pavements and you have to walk in the road, ie, Newpound Lane to School entrance, Kirdford Road playground to Luth entrance have to walk in road (very dangerous) with children walking to school on/in road. The situation is a big accident waiting to happen. More lighting is required around the Green at night. How can you consider spending £50K on the playground with so many other things to do. The last time social housing was available allocation was done outside of the village."	1	0.46%
"Traffic on A272 - quite often the traffic is going faster than 30mph. We, as a community, need to find an effective way of encouraging responsible driving. Electricity supply - the village seems quite vulnerable to breaks in supply.Are we assured that the supplier has this under proper control?"	1	0.46%
"Two very contented parishioners!"	1	0.46%
"Very difficult to park in area of Butts Meadow."	1	0.46%
"Village shop and village market much appreciated. Would support larger speed limit signs on all roads. Support upgrading of children's playground - very glad to keep the old slide."	1	0.46%
"Volunteer litter pickers for each road. Volunteer dog walkers when people are ill or indisposed. Visits for elderly/housebound/lonely people. Unsure what voluntary services are available although we read Ad Vincula and noteboards regularly. Are services advertised anywhere?"	1	0.46%

"We think the old glasshouse area down Kirdford Road should have a small development on it. At the same time we would like to reduce the speed limit from 40 mph to 30 mph when you enter the village from Kirdford."	1	0.46%
"With reference to Q. 5.8 we believe he question is not specific enough and we would welcome affordable or shared home ownership for local families only."	1	0.46%
"Would like butcher/greengrocer/improvements to village shop - like the Kirdford/Lodsworth shops. Improvements to footpaths/bridleways. Newpound - quite dangerous for children to walk to school."	1	0.46%
total	77	35.48%
