A		8		8		Lovely vistas – use traffic control (green) excellent – controls both speed and parking. I agree. Nice mix of buildings and also speed restrictions. A is best. Rural style – car parking to be off road.
B		1	1	9		Looks good – hopefully no parking on green.
C			1		1	
D		1				
E		1	1	1	1	OK if allocated parking off street. What happens when cars parking along road, very narrow and compromised vision from pavement
F		2		5		
G		1				

Other Comments (Vistas):

- Lots of grass – almost all these vistas are barren hard landscaping devoid of greenery. What about more tree planting to screen ugly vistas including cars.
- No large scale buildings.
- Off road parking.
- Infilling with only few houses

NB: 2 sets of post-its but no indication which dates – have used those in marked envelop as 22nd?
