Neighbourhood Plan Review – Progress Update

A quick update to keep you informed about the review process. Further information about rented/social housing allocation, registering with Chichester District Council and shared ownership opportunities, as well as the Housing Needs Survey results, are included in the Parish Council's newsletter.

Happy News! We have now received confirmation of the grant funding needed to cover the costs of the various aspects and events of our Neighbourhood Plan review.

Save the Date! The first Neighbourhood Plan review public consultation, to provide information on site assessment methodology and potential development sites, will now be held on Friday 27th and Saturday 28th September in the Village Hall. The times will be published well in advance but will be organised to provide opportunity for all to attend, participate and comment. We welcome your attendance and opinions, see you there!
