

Village Fete and Fun Dog Show

**Wisborough Green Fete
on Monday 25th August 2025
From 1pm**

Illustrated by Katie Wells

We look forward to seeing you!

A very warm welcome to a fantastic day of traditional fun, community spirit, and family entertainment in the heart of our beautiful village.

The fete is packed with all the much-loved favourites, from traditional games and raffles that bring out everyone's competitive side (pages 9 to 12) and classic village stalls selling homemade treats and local crafts (pages 19 to 21).

Don't miss our ever-popular Fun Dog Show (page 8), where four-legged friends of all shapes and sizes will be competing for "Paw-fect Puppy, waggiest tails, the most appealing eyes. It's always a highlight and a great chance to cheer on your favourites in the competitive sausage challenge.

There's something for everyone. Live music by the Worthing Silver Band, vintage vehicles, and children's races. We have a selection of delicious refreshments, from traditional tea and cake, ice creams, and local cider, to fish and chips, a barbecue, pizza, and back by popular demand, a taste of the Caribbean. So bring your friends, bring your family, and most importantly, bring your best village fete spirit!

Since 2008, we've proudly raised over £61,000 for local causes (see page 17), all thanks to the incredible support of our sponsors, volunteers and you! Please take a moment to see who's supporting us this year on page 24.

We look forward to welcoming you and hope you have a wonderful time!

Can we please ask you to bring CASH as our Fete stalls do not take cards.
Thank you.

We all look forward to welcoming you to Wisborough Green.

Louise Davies, Fete Chairman

“Village People”

is the Society’s exhibition theme this year

Specifically, Wisborough Green people from the recent past who have made a contribution to the parish and the community, or were local ‘characters.’

From a big field we have selected fourteen people whose stories we tell in words and pictures. They include shop-keepers, schoolteachers and a vicar. Many will be familiar to residents of the parish and we would love to hear your memories of them when you visit our stand.

About the Wisborough Green Village History Society

The Society not only preserves images, documents, and artefacts from the past, but also creates contemporary historical records for future generations. We meet at 10.30 am on the second Tuesday of each month in the Village Hall Committee Room. We are a small group of people who enjoy talking about and researching the history of our parish.

Members range from life-long residents to relative newcomers and all receive the Society’s monthly 10/12 page newsletter containing articles and illustrations about the story of Wisborough Green.

Full Membership (£12) is for those who can attend and partake in meetings, and help run the society. Associate Membership (£6) is for those who are unable to attend meetings but wish to keep in touch with Wisborough Green’s history.

Village Tapestry by Pat Gierth

You can join at our stand where past editions of the newsletter and other Society publications will be on display.
