Wisborough Green Neighbourhood Plan
Draft Revised Plan – Regulation 14 Consultation

The Parish Council values the business community in Wisborough Green. These many businesses not only provide local employment opportunities for village residents, but the generosity and support shown to the many village societies and organisations helps to make Wisborough Green the special village it is.

Attached is a consultation booklet relating to the latest Neighbourhood Plan consultation. The Neighbourhood Plan not only identifies new housing sites but planning policies have also been updated.

We encourage and welcome comments from our village businesses. Please do respond – full details are in the booklet.
